Toddy Martin

Dear Toddy Martin:

This is in reply to your letter of August 28 regarding Major Kenneth Johnson, an American serviceman lost in Southeast Asia.

Major Johnson's case was reviewed and his status changed to killed in action. Although efforts continue to obtain a full accounting for those men who died in the conflict in Vietnam and, wherein possible, to recover their remains, there will be many for whom no accounting will ever be forthcoming. This is one of the sad consequences of modern warfare.

Your interest in this matter is appreciated and I wish it were possible to give you a more optimistic report.

Sincerely,

*C. M. Matheson, LTC*

*I still have a POW bracelet from the days of the Vietnam War. I never found the name that appears on my bracelet on any of published lists. When I purchased my bracelet I believe it said the POW was from Minneapolis, Minnesota. I would like to return his bracelet to him if he is back.*

*MAJOR Kenneth JOHNSON (missing 12-18-71)*

*Thank you,
